

INDEX TO VOLUME 60

This volume of the *American Journal of Orthopsychiatry* is indexed by SUBJECTS and by AUTHORS

SUBJECTS

Adolescence

- Admitters and deniers among adolescent sex offenders and their families: a preliminary study, 460
- Developmental dimensions of *DSM-III* diagnoses in adolescent psychiatric patients, 371
- Effects of marital disruption on adolescents: time as a dynamic, 544
- Experiences with peers following relocation during early adolescence, 466
- Nuclear freedom and students' sense of efficacy about prevention of nuclear war, 611
- Physical and sexual abuse in adolescent girls with borderline personality disorder, 55

Adolescent Pregnancy/Parenting

- Characteristics of unmarried adolescent mothers: determinants of child rearing versus adoption, 577
- Formal operational thinking: the role of cognitive-developmental processes in adolescent decision-making about pregnancy and contraception, 346
- Informal adoption among black adolescent mothers, 210

Adoption

- Characteristics of unmarried adolescent mothers: determinants of child rearing versus adoption, 577
- Children from disrupted and adoptive homes on an inpatient unit, 594
- Informal adoption among black adolescent mothers, 210
- Psychological adjustment of adoptive parents-to-be, 258

Aging

- Gender, coping, and psychological well-being in spouses of older adults with chronic dementia, 603
- Men as elder caregivers: a response to changing families, 86

AIDS

- Group intervention model for individuals testing positive for HIV antibody, 452

American Orthopsychiatric Association

- New allegiance to interdisciplinary work: true or false? [Editorial], 4
- President, American Orthopsychiatric Association, 1990-1991, 162

Anxiety

- Sense of competence, time perspective, and state-anxiety of separated versus divorced mothers, 77

Autism

- On psychoanalytic approaches to autism, 324

Behavior Problems

- Children from disrupted and adoptive homes on an inpatient unit, 594
- Children of victims of terrorism revisited: integrating individual and family treatment approaches, 204
- Collaborative treatment of juvenile firesetters: assessment and outreach, 305
- Comparison of stepfamilies with and without child-focused problems, 556
- Effects of marital disruption on adolescents: time as a dynamic, 544
- Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186
- Psychological impact of the Intifada on Palestinian children in the occupied West Bank and Gaza: an exploratory study, 496

Bereavement

- Perceptions of parental competence while facing the death of a spouse, 567
- Prevention program for bereaved children, 168

Borderline Personality Disorder

- Borderline children: a closer look at diagnosis and treatment, 225
- Physical and sexual abuse in adolescent girls with borderline personality disorder, 55

Case Management

- Collaborative treatment of juvenile firesetters: assessment and outreach, 305
- Therapeutic case advocacy: a model for interagency collaboration in serving emotionally disturbed children and their families, 118

Child Abuse/Neglect

- Children's knowledge of sexuality: a comparison of sexually abused and nonabused children, 250
- Physical and sexual abuse in adolescent girls with borderline personality disorder, 55
- Rehabilitation of child molesters: a cost-benefit analysis, 108

Bereavement

- Perceptions of parental competence while facing the death of a spouse, 567
- Prevention program for bereaved children, 168

Borderline Personality Disorder

- Borderline children: a closer look at diagnosis and treatment, 225
- Physical and sexual abuse in adolescent girls with borderline personality disorder, 55

Case Management

- Collaborative treatment of juvenile firesetters: assessment and outreach, 305
- Therapeutic case advocacy: a model for interagency collaboration in serving emotionally disturbed children and their families, 118

Child Abuse/Neglect

- Children's knowledge of sexuality: a comparison of sexually abused and nonabused children, 250
- Physical and sexual abuse in adolescent girls with borderline personality disorder, 55
- Rehabilitation of child molesters: a cost-benefit analysis, 108

Child Custody

- Children and their fathers after parental separation, 531
- Custody after divorce: demographic and attitudinal patterns, 233

Child Development/Rearing

- Attachment between working mothers and their infants: the influence of family processes, 19
- Buffering effect of social support on parental stress, 440
- Characteristics of unmarried adolescent mothers: determinants of child rearing versus adoption, 577
- Children's knowledge of sexuality: a comparison of abused and nonabused children, 250
- Coping characteristics of disabled and nondisabled young children, 404
- Developmental dimensions of *DSM-III* diagnoses in adolescent psychiatric patients, 371
- Factors associated with academic achievement in children following parental separation, 67
- Formal operational thinking: the role of cognitive-developmental processes in adolescent decision-making about pregnancy and contraception, 346
- Perceptions of parental competence while facing the death of a spouse, 567
- Poverty and early childhood parenting: toward a framework for intervention, 6
- Psychological impact of the Intifada on Palestinian children in the occupied West Bank and Gaza: an exploratory study, 496
- Role of the father in the development of stranger sociability during the second year, 521

Child Psychiatry

- Borderline children: a closer look at diagnosis and treatment, 225
- Children of victims of terrorism revisited: integrating individual and family treatment approaches, 204
- Prevention program for bereaved children, 168
- Therapeutic case advocacy: a model for interagency collaboration in serving emotionally disturbed children and their families, 118

Chronic Mental Illness

- Capitation payment systems and public mental health care: implications for psychotherapy with the seriously mentally ill, 298
- Determinants of family treatment choice and satisfaction in psychiatric emergencies, 96
- Gender, coping, and psychological well-being in spouses of older adults with chronic dementia, 603

Community Mental Health

- Buffalo Creek survivors in the second decade: stability of stress symptoms, 43
- Capitation payment systems and public mental health care: implications for psychotherapy with the seriously mentally ill, 298
- Collaborative treatment of juvenile firesetters: assessment and outreach, 305
- Managed care, managed people, and community mental health [Editorial], 166

- Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186
- Shared experience of catastrophe: an expanded classification of the disaster community, 35

Countertransference

- Countertransference in working with victims of political repression, 125
- Transference and countertransference in clinical intervention with divorcing families, 337

Crime/Corrections

- Rehabilitation of child molesters: a cost-benefit analysis, 108

Cross-Cultural/Sociocultural Issues

- Children of victims of terrorism revisited: integrating individual and family treatment choices, 204
- Group treatment of exiled victims of torture, 135
- Psychological effects of political repression on Chilean exiles in the U.S., 143
- Psychological impact of the Intifada on Palestinian children in the occupied West Bank and Gaza: an exploratory study, 496
- Readiness of health profession students to comply with a hypothetical program of forced migration of a minority population, 486
- Role of culture in the development of paranoid symptomatology, 176

Day Care

- Direct caregiver intervention in infant peer social encounters, 428

Diagnosis and Classification

- Borderline children: a closer look at diagnosis and treatment, 225
- Collaborative treatment of juvenile firesetters: assessment and outreach, 305
- Developmental dimensions of *DSM-III* diagnoses in adolescent psychiatric patients, 371

Divorce/Separation

- Children and their fathers after parental separation, 531
- Custody after divorce: demographic and attitudinal patterns, 233
- Effects of marital disruption on adolescents: time as a dynamic, 544
- Factors associated with academic achievement in children following parental separation, 67
- Sense of competence, time perspective, and state-anxiety of separated versus divorced mothers, 77
- Transference and countertransference in clinical intervention with divorcing families, 337

Drug Abuse

- In bed together at the market: psychiatry and the drug industry [Editorial], 484
- Mother-infant interaction in a multirisk population, 281

Education

- Factors associated with academic achievement in children following parental separation, 67

Ethnicity/Race/Minorities

- Informal adoption among black adolescent mothers, 210
- Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186
- Psychological impact of the Intifada on Palestinian children in the occupied West Bank and Gaza: an exploratory study, 496
- Racial congruity as a contextual correlate of mental disorder, 392
- Readiness of health profession students to comply with a hypothetical program of forced migration of a minority population, 486
- Role of culture in the development of paranoid symptomatology, 176

Families/Stepfamilies

- Admitters and deniers among adolescent sex offenders and their families: a preliminary study, 460
- Attachment between working mothers and their infants: the influence of family processes, 19
- Cognitive remodeling of the family: how remarried people view stepfamilies, 196
- Comparison of stepfamilies with and without child-focused problems, 556
- Determinants of family treatment choice and satisfaction in psychiatric emergencies, 96
- Informal adoption among black adolescent mothers, 210
- Men as elder caregivers: a response to changing families, 86
- Poverty and early childhood parenting: toward a framework for intervention, 6
- Therapeutic case advocacy: a model for interagency collaboration in serving emotionally disturbed children and their families, 118
- Transference and countertransference in clinical intervention with divorcing families, 337

Family Therapy

- Children of victims of terrorism revisited: integrating individual and family treatment approaches, 204
- Comparison of stepfamilies with and without child-focused problems, 556
- Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186

Fathers

- Children and their fathers after parental separation, 531
- Role of the father in the development of stranger sociability during the second year, 521

Firesetting

- Collaborative treatment of juvenile firesetters: assessment and outreach, 305

Foster Care

- Children from disrupted and adoptive homes on an inpatient unit, 594
- Predicting success in foster placement: the contribution of parent-child temperament characteristics, 585

Group Treatment

- Shared experience of catastrophe: an expanded classification of the disaster community, 35
- Group intervention model for individuals testing positive for HIV antibody, 452
- Group treatment of exiled survivors of torture, 135

Holistic Medicine

- Holistic medicine and mental health practice: toward a new synthesis, 357

Holocaust Survivors

- Identification patterns of offspring of Holocaust survivors with their parents, 506

Hospitalization

- Children from disrupted and adoptive homes on an inpatient unit, 594
- Determinants of family treatment choice and satisfaction in psychiatric emergencies, 96

Infancy

- Attachment between working mothers and their infants: the influence of family processes, 19
- Direct caregiver intervention in infant peer social encounters, 428
- Mother-infant interaction in a multirisk population, 281
- Role of the father in the development of stranger sociability during the second year, 521

Juvenile Delinquency

- Collaborative treatment of juvenile firesetters: assessment and outreach, 305

Marriage

- Cognitive remodeling of the family: how remarried people view stepfamilies, 196
- Effects of marital status and partner support on rape trauma, 379
- Gender, coping, and psychological well-being in spouses of older adults with chronic dementia, 603
- Psychological effects of political repression on Chilean exiles in the U.S., 143
- Rethinking isolation among the married and the unmarried, 289

Men

- Children and their fathers after parental separation, 531
- Men as elder caregivers: a response to changing families, 86
- Role of the father in the development of stranger sociability during the second year, 521

Mental Health Care System

- Capitation payment systems and public mental health care: implications for psychotherapy with the seriously mentally ill, 298
- Holistic medicine and mental health practice: toward a new synthesis, 357
- In bed together at the market: psychiatry and the drug industry [Editorial], 484
- Loss of a generation [Editorial], 322

Managed care, managed people, and community mental health [Editorial], 166

New allegiance to interdisciplinary work: true or false? [Editorial], 4

Readiness of health profession students to comply with a hypothetical program of forced migration of a minority population, 486

Therapeutic case advocacy: a model for interagency collaboration in serving emotionally disturbed children and their families, 118

Mother-Child Relationship

Attachment between working mothers and their infants: the influence of family processes, 19

Mother-infant interaction in a multirisk population, 281

Paranoid Disorder

Role of culture in the development of paranoid symptomatology, 176

Physical Disability/Illness

Atomic veterans and their families: responses to radiation exposure, 418

Coping characteristics of disabled and nondisabled young children, 404

Group intervention model for individuals testing positive for HIV antibody, 452

Perceptions of parental competence while facing the death of a spouse, 567

Poverty

Loss of a generation [Editorial], 322

Mother-infant interaction in a multirisk population, 281

Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186

Poverty and early childhood parenting: toward a framework of intervention, 6

Role of culture in the development of paranoid symptomatology, 176

Prevention

Prevention program for bereaved children, 168

Professional Ethics

In bed together at the market: psychiatry and the drug industry [Editorial], 484

Readiness of health profession students to comply with a hypothetical program of forced migration of a minority population, 486

Professional Training/Supervision

Holistic medicine and mental health practice: toward a new synthesis, 357

Loss of a generation [Editorial], 322

Readiness of health profession students to comply with a hypothetical program of forced migration of a minority population, 486

Psychiatry

Determinants of family treatment choice and satisfaction in psychiatric emergencies, 96

Developmental dimensions of *DSM-III* diagnosis in adolescent psychiatric patients, 371

In bed together at the market: psychiatry and the drug industry [Editorial], 484

Psychoanalysis

On psychoanalytic approaches to autism, 324

Psychopharmacology

In bed together at the market: psychiatry and the drug industry [Editorial], 484

Resilience

Coping characteristics of disabled and nondisabled young children, 404

Schizophrenia

Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186

Role of culture in the development of paranoid symptomatology, 176

Sexual Abuse/Incest

Admitters and deniers among adolescent sex offenders and their families: a preliminary study, 460

Children's knowledge of sexuality: a comparison of sexually abused and nonabused children, 250

Effects of marital status and partner support on rape trauma, 379

Motives and psychodynamics of self-reported, unincarcerated rapists, 268

Physical and sexual abuse in adolescent girls with borderline personality disorder, 55

Rehabilitation of child molesters: a cost-benefit analysis, 108

Reported history of physical and sexual abuse and severity of symptomatology in women psychiatric outpatients, 412

Social Behavior

Direct caregiver intervention in infant peer social encounters, 428

Experiences with peers following relocation during early adolescence, 466

Rethinking isolation among the married and the unmarried, 289

Social Policy

Atomic veterans and their families: responses to radiation exposure, 418

Capitation payment systems and public mental health care: implications for psychotherapy with the seriously mentally ill, 298

Loss of a generation [Editorial], 322

Nuclear freedom and students' sense of efficacy about prevention of nuclear war, 611

Poverty and early childhood parenting: toward a framework for intervention, 6

Psychological effects of political repression on Chilean exiles in the U.S., 143

Readiness of health profession students to comply with a hypothetical program of forced migration of a minority population, 486

Rehabilitation of child molesters: a cost-benefit analysis, 108

Social Support

- Buffalo Creek survivors in the second decade: stability of stress symptoms, 43
- Buffering effect of social support on parental stress, 440
- Countertransference in working with victims of political repression, 125
- Effects of marital disruption on adolescents: time as a dynamic, 544
- Group treatment of exiled victims of torture, 135
- Psychological effects of political repression on Chilean exiles in the U.S., 143
- Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186
- Racial congruity as a contextual correlate of mental disorder, 392
- Rethinking isolation among the married and the unmarried, 289
- Shared experience of catastrophe: an expanded classification of the disaster community, 35
- Therapeutic case advocacy: a model for interagency collaboration in serving emotionally disturbed children and their families, 118

Stress/Trauma

- Atomic veterans and their families: responses to radiation exposure, 418
- Buffalo Creek survivors in the second decade: stability of stress symptoms, 43
- Buffering effect of social support on parental stress, 440
- Children of victims of terrorism revisited: integrating individual and family treatment approaches, 204
- Countertransference in working with victims of political repression, 125
- Effects of marital status and partner support on rape trauma, 379
- Group treatment of exiled survivors of torture, 135
- Psychological effects of political repression on Chilean exiles in the U.S., 143
- Psychological impact of the Intifada on Palestinian children in the occupied West Bank and Gaza: an exploratory study, 496
- Racial congruity as a contextual correlate of mental disorder, 392

- Shared experience of catastrophe: an expanded classification of the disaster community, 35

Temperament

- Mother-infant interaction in a multirisk population, 281
- Predicting success in foster placement: the contribution of parent-child temperament characteristics, 585

Urban Issues

- Characteristics of unmarried adolescent mothers: determinants of child rearing versus adoption, 577
- Informal adoption among black adolescent mothers, 210
- Mother-infant interaction in a multirisk population, 281
- Multisystems approach to the treatment of a black, inner-city family with a schizophrenic mother, 186
- Poverty and early childhood parenting: toward a framework for intervention, 6
- Racial congruity as a contextual correlate of mental disorder, 392

Violence

- Countertransference in working with victims of political repression, 125
- Group treatment of exiled survivors of torture, 135
- Physical and sexual abuse in adolescent girls with borderline personality disorder, 55
- Psychological effects of political repression on Chilean exiles in the U.S., 143
- Reported history of physical and sexual abuse and severity of symptomatology in women psychiatric outpatients, 412

War/Peace

- Atomic veterans and their families: responses to radiation exposure, 418
- Nuclear freedom and students' sense of efficacy about prevention of nuclear war, 611
- Psychological impact of the Intifada on Palestinian children in the occupied West Bank and Gaza: an exploratory study, 496
